

For international students

1. The documents given by the entrants:

1.1. National passport with a type “D” visa (original, copy and Ukrainian translation of all pages with notes).

* Type “D” visa is issued on the basis of the invitation of the University for training.

** In order to get an invitation you should give to Academic secretary the following documents:

- motivation letter with objective to study at the University;
- copy of the passport;
- the document on earlier received education and annex with estimates or academic certificate;
- written consent to personal data collection and processing.
- Documents in a scanned form can be sent by mail to the faculty.

*** Type “D” visa is not required for citizens of Azerbaijan, Belarus, Georgia, Moldova, Russia, Uzbekistan – citizens of these countries enter Ukraine without a visa.

1.2. Birth certificate (original and translated into Ukrainian notarized copy).

1.3. Certificate on higher medical education (magister, specialist) (original and translated into Ukrainian notarized copy).

1.4. Medical health certificate certified by an official health authority of the country of the foreigner and gotten no earlier than two months before the departure of the foreigner to study to Ukraine (original).

1.5. Certificate of HIV-infection absence (original).

1.6. 6 photos 3 x 4 cm.

2. Documents issued at the Institute for entering:

2.1. Application.

2.2. Questionnaire.

2.3. Consent to personal data collection and processing.

2.4. Education Agreement at the Institute.

By entering the Institute, foreign citizens are required to draw up a contract of obligatory insurance for emergency medical care.

3. Residence of foreign nationals

Foreigners who have concluded an Education Agreement at the Institute, receive a Temporary Residence Certificate in Ukraine at the State Migration Service of Ukraine for the period of their studies. At the request of foreigners, they are given the opportunity to stay in the hostel of the Shupyk National Medical Academy of Postgraduate Education under a separate agreement.

On issues related to the entry of foreign citizens to study at the Institute, contact:
